About Us:

We Boon Institute for Specialized Training & Consultancy Services (Boon India) have been conducting API (510,570,653,571,577,580,936,1169, SIFE), ASNT LEVEL-III (PT, MT, RT, UT), Meena International ISO 9712 Programs, and NDT Level II Training & certification program since 2009. Our training is well recognized in Indian industries and overseas. We have a dedicated team of highly qualified and experienced faculties.

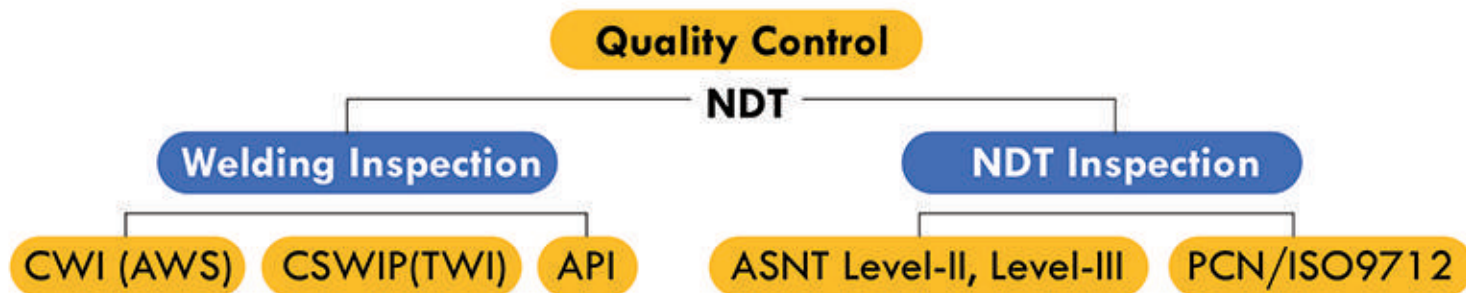

Our Achievement :

Since 2009 we have trained more than 6000 + students in various fields. We have trained so far 3000+ NDT Technicians, 2000 + API Inspectors, and 500+ Welding Inspectors. Our students are currently working in various industries with high profiles.

Our Strength :

Our strength is our students. Our Alumni network helps connect all our people, past and present, to more opportunities, more resources
